FAX AUTHORIZATION FORM

As of July 1, 2005, new regulations enacted by the Federal Communications Commission make it unlawful to send an "unsolicited advertisement" to any person without their prior written authorization.

The fax is a convenient tool that allows us to get pricing and other important information to you. We need your authorization to allow us to communicate with you by fax. Please fill in the information below to authorize Flexospan to send faxes to your company (*please return the form to us on or before June 30, 2005*).
